FLOAT

Nero Float is suspended from the ceiling allowing it to create an envious presence in its environment.

Nero Float is hand forged and available in two sizes. The height of the Nero Float is made to measure for each individual project. Customising is also possible for the anchor plate, from which the Nero Float suspends, to suit unique ceiling structures. The Nero Float allows you the opportunity to own a truly unique fireplace.

Bioethanol burns clean and is environmentally friendly. It produces no harmful emissions. The flame is natural and soothing providing a gentle heat and ambiance.
