Fire design for luxury living.

FOLD

The Fold collection by Beauty Fires® offers the user the ability to have a mobile floor / table mounted bioethanol fireplace.

This collection is ideal for converting your old wood or gas fireplace into a modern eco-friendly fireplace that is vent free.

A big benefit is that they can easily be moved which makes them ideal for apartment dwellers and tenants or if you simply wish to create ambience while entertaining outdoors. Available in three finishes and 6 sizes.

Bioethanol burns clean and is environmentally friendly. It produces no harmful emissions. The flame is natural and soothing providing a gentle heat and ambience.
